CFI PROGRAM REVIEW  
OUTLINE FOR PRESENTATIONS

I. Substantive Objectives

- Brief description of the program in terms of major substantive intelligence objectives--i.e., what will this program buy in terms of fulfilling substantive intelligence needs.

II. Resources

- Dollar and manpower trends FY 1977-1982 displayed by target/system, as appropriate.

III. Major Changes

- Brief description of major changes proposed during the period. Should include a statement of substantive gain achieved by the changes--i.e., what gaps in our knowledge will be filled.

IV. Deficiencies

- Brief description of shortfalls, if any--i.e., what has not been provided for and at what risk.

V. Issues

- Description of major issues and options, including program manager's recommendation.
